

# Levine-Fricke Field Community Open House

**Thursday, September 20, 2018**

**6:30 p.m. – 8 p.m.**

**Simpson Center for Student-Athlete High Performance, Cronk Room  
Enter from Memorial Stadium, Gate 4**

UC Berkeley invites our neighbors to an open house to learn about proposed improvements to Levine-Fricke Field, located on Centennial Road in the Strawberry Canyon Recreation Area.

The University is committed to providing commensurate facilities for our men's and women's athletic teams, and this proposed project will significantly improve the existing competition and training facility for the Intercollegiate Athletics women's softball team. The project includes substantial reconfiguration of the existing field to accommodate required NCAA field dimensions, to incorporate improved training facilities, and to add new spectator seating.

Representatives from the campus project team and Intercollegiate Athletics will be on-hand to share information about this project, answer questions and listen to your input.

Light refreshments will be served. **We look forward to welcoming you.**
