VISION

Improve the lives of our students and vulnerable members of the community through a value-driven project that builds critically needed new housing, revitalizes open green space, and creates a safe and welcoming place for everyone.

GOALS

1. Address student housing needs
2. Provide desperately needed homeless housing
3. Revitalize a neighborhood and offer improved safety
4. Address crime and safety concerns for the benefit of campus and city communities
5. Honor the memory and meaning of People’s Park
