Public Notice
Cal Beach Volleyball Complex Project

February 24, 2025

In accordance with established University of California procedures, UC Berkeley Chancellor Rich Lyons will consider approval of the Cal Beach Volleyball Complex Project; approval is anticipated no sooner than March 10, 2025. The University of California, Berkeley (UC Berkeley or University) has prepared an Initial Study to evaluate the environmental impacts of the project. The Initial Study concludes that the project with mitigation identified in the Initial Study, would not result in a significant effect on the environment and, therefore, UC Berkeley proposes to adopt a Mitigated Negative Declaration (MND). The purpose of this notice is to advise the public of the proposed approval action of the project.
